

Step 1 : visit the website <https://ras.papercept.net/conferences/scripts/start.pl>

The page is as follows.

The screenshot shows the IEEE Robotics and Automation Society logo and the PaperPlaza Conference/Journal Management System interface. It includes a navigation menu with links for Home, Log In, PIN, and Help. A welcome message is displayed, followed by a list of instructions for users, including login requirements, submission deadlines, and contact information for organizers.

Step 2: scroll down and look for the item “ARSO2016”

The screenshot displays a list of conferences for 2016. The ARSO 2016 entry is highlighted with a red box. It includes the conference title, dates (July 8-10, 2016), location (Shanghai, China), and a link to submit a contribution. Other conferences listed include ICRA 2016, BiRob 2016, and AIM 2016.

Step 3: click “Submit a contribution to ARSO 2016” ,then you will see the submission page.

The screenshot shows the submission page for ARSO 2016. It includes the conference title, dates, location, and a link to submit a contribution. The link is highlighted with a red box.

Submission page is as follows:

The screenshot shows the submission page for ARSO 2016. It includes instructions for submission, a table of submission types, and a 'Submit' button. The 'Submit' button is highlighted with a red box.

	Type of submission	Open	Deadline
