

**The 2019 International Workshop
on Intelligentized Welding Manufacturing (IWIWM'2019-SH)**

Nov. 6-14, 2019, Shanghai, CHINA & Lexington, USA

June 30, 2019

Notice on IWIWM2019 Award for Outstanding Student Papers

(First Notification)

Dear IWIWM2019 Contributors,

To encourage the participation from young researchers including graduate students in shaping and defining next generation intelligent welding manufacturing and becoming future leaders, the IWIWM2019 and "Transactions on Intelligent Welding Manufacturing (TIWM)" editorial boards will give "Outstanding Student Paper Award" to selected papers presented at IWIWM2019, both at IWIWM2019-SH and IWIWM2019-LEX, and accepted/published in affiliate publications. To this end, we have set the following rules to govern the selection and decision process:

- (1) The award candidate papers will be limited to those accepted by the peer review for publication in TIWM or JMP Special Issue with at least one graduate student or young researcher (35 year old or younger) as the first-author;
- (2) The evaluation criteria include, but not limited to, academic merits, creativity, application value/potential, as well as the participation and presentation at the IWIWM2019;
- (3) Selection committee will consist of five members recommended by IWIWM2019-SH and IWIWM2019-LEX and approved by IWIWM2019 General Chairs and TIWM editors-in-chief;

We intend to give 1-3 "Best Paper Awards" and 5-8 "Excellent Paper Awards" with award certificate to each of the co-authors.

Welcome to actively contribute according to our Call for Papers and sign up for consideration at the submission sites. We look forward to meeting you at the IWIWM2019-SH and IWIWM2019-LEX!
